

1st June 2020

Dear Parents and Carers

Following a review of our COVID-19 Risk Assessment, and following guidance - water play will now be included in the syllabus for this term.

The children will be given their own containers/equipment using mild soapy water. The containers/equipment will be cleaned and the water changed after each use.

Please find attached the updated policy.

Should you have any queries or concerns, please don't hesitate to get in touch.

With kind regards

**Olivia Duckney**  
Administrative Assistant
