Dear Parents/Guardians

Further to the Government's briefing, we confirm that Little Fingers will be open on Monday 1st June 2020.

If you have any questions, please contact Olivia or Leanne.

We will be having weekly management meetings to keep things under review and will keep you updated, when appropriate.

In respect of testing, the Government have confirmed that all children who are attending a childcare setting will have access to a test if they display symptoms of coronavirus, and are encouraged to get tested in this scenario. The aim is to enable children to get back to childcare, and their parents or carers not to need to self-isolate any longer than is necessary, if the test proves to be negative. A positive test will ensure rapid action to protect other children and staff in their setting.

We ask all parents and carers to ensure they organise a test for their child, in the event that they develop coronavirus symptoms, and notify us immediately of a positive test. Further guidance is available about [getting tested](#).

Stay safe.

With kind regards

Andrew Neal
