

11th September 2020

Dear Parents/Guardians

We are pleased to announce that Little Fingers is opening it's doors until 3:30pm on a Friday afternoon, from next Friday 18th September.

Please let me know, if you would like to extend your child's sessions or hours. We have limited availability and will therefore be offering the places of a first come first served basis.

We will also be offering the wraparound care on a Friday afternoon, until 4:00pm.

Whilst emailing, just to remind you that our wraparound-care sessions are from 8:30am - 9:00am and 3:30pm - 4:00pm each day. These half hour sessions are non-funded and cost £3.00 per session i.e. if you utilise both sessions, the daily charge would be £6. To ensure that we have appropriate staffing levels, you can either book in advance or the day before. Either send me an email or directly contact the pre-school on 01264 737735.

Please ensure that you deliver and collect your child promptly, at your set times, otherwise you may be charged £3.00.

I look forward to hearing from you.

With kind regards

Olivia Duckney

Administrative Assistant
